

Welcome! Thank you for your interest in the Urban Ecology Center's Facility Rental Program!

Facility Rental Rates

When you rent the Urban Ecology Center, all of the proceeds directly support the operation and mission of our organization. You can feel great knowing that you had the perfect venue for your event and that you contributed to a wonderful cause at the same time.

At the Urban Ecology Center, we pride ourselves on offering competitive, easy to understand rates without any hidden fees or obligations. Time needed for setup and clean up will be included when assessing the start and end time for facility rentals.

We offer the use of our furniture, A/V equipment, dishware, glassware and on-site event staff at no additional cost.

- **Whole Building** – \$1,000 flat fee (plus \$300 security deposit)
- **Valley Room** – \$75/hour, \$100/hour outside of business hours (plus \$100 security deposit)
- **Classrooms** – \$50/hour
- **Conference room** – \$30/hour

Inquire about discounts for non-profit organizations or full day rentals of the Valley Room or classroom spaces.

Room Descriptions

Whole Building*

Maximum Occupancy: 100 seated on the first floor, 150 for social gathering

Perfect for weddings and parties, rental of the whole building gives you the flexibility to spread out and host your event in the best way you see fit. With a whole building rental, you get exclusive access to our first and second floor open areas including the green roof and animal room, both of our classrooms, the Living Room, the Valley Room and kitchenette.

Whole building rentals are available Saturdays from 5:00pm – 12:00am

Valley Room*

Maximum Occupancy: 72 people for seated meal, 80 for lecture

Large antique barn doors can seal the Valley Room from the rest of the first floor, making this a suitable venue for meetings, seminars, workshops or luncheons during the day or for smaller parties or lectures in the evenings. It is a spacious and relaxed meeting hall with large windows overlooking the gardens and Hank Aaron State Trail below. After hours rentals can keep the large barn doors open and have access to Living Room as well.

Classrooms* - Flower Pot Classroom and Patio Classroom

Maximum Occupancy: 18-20 per classroom

Our Flower Pot Classroom on the second floor is a beautifully lit room with a high ceiling, original wood floors and a charming terra cotta color that gives the room its name. This room is perfect for a work retreat or business meeting for up to 20 people.

Our Patio Classroom sits on the lower level next to our outdoor patio on the Hank Aaron State Trail. French doors can open to expand the space and let in fresh air in the summer. This room is perfect for meetings and as a project space for groups of up to 18 people.

Conference Room

Maximum Occupancy: 10

This small private meeting space on the first floor is perfect for your next off site business meeting or planning session. This room features a central conference table with 10 chairs and plenty of natural light.

** Availability is subject to school groups and other Urban Ecology Center programming that may use the space. Please call for availability.*
