Welcome! Thank you for your interest in the Urban Ecology Center’s Facility Rental Program!

Are you...

- A local business, corporation, or fellow non-profit organization seeking a space for your next meeting or seminar?
- An individual interested in hosting a private party for friends and family?
- An environmentally conscious couple looking for an eco-friendly facility for your green wedding?

Whatever your event entails, the Urban Ecology Center is uniquely equipped to provide the perfect backdrop for your day.

What sets you apart, you might ask?

Choose us and you choose to support our mission too!

One hundred percent of rental-generated revenue goes toward supporting our mission to provide innovative, enriching environmental education to urban youth, adults and families. In a time when voting with your dollar is important, this is an investment you can feel good about.

We operate with the environment and community in mind

Our spaces proudly integrate green building techniques such as photovoltaic cells, green roofing and rainwater collection systems, geothermal heating and consistent use of recycled building materials. These features are not only functional and help us keep costs low (so we can pass those savings on to you), they are also great conversation pieces and teaching tools.

These features are also an important component of the Urban Ecology Center’s function as a neighborhood community center. We are open to the public and encourage exploration of our space and the surrounding parks in which we operate. In choosing to rent the Urban Ecology Center, your guests are not confined to one space – we encourage them to wander around and discover what the Urban Ecology Center is all about!

No hidden fees!

As an organization that strives to build community and promote environmental justice, we strive for transparency. What does this mean for you? No unexpected costs or rate hikes! That’s right – we offer the use of our furniture, A/V equipment, kitchen, place settings, and utensils at no additional cost. Our rental rates are straightforward and easy to understand.

“We’re so happy we rented with the Urban Ecology Center to support a great cause and to educate others. Everything was amazing, and we heard nothing but positive feedback!”

– excerpt from satisfaction survey
MENOMONEE VALLEY First Floor: Valley Room & Conference Room

Large antique barn doors can seal the Valley Room from the rest of the first floor, making this a suitable venue for meetings, seminars, workshops or luncheons during the day or for parties or lectures in the evenings for groups of up to 72 people. It is a spacious and relaxed meeting hall with large windows overlooking Three Bridges Park and the Hank Aaron State Trail below. The Conference Room works well for private meetings of up to 8 people and includes phone, free WiFi, and plenty of natural sunlight.

- Cater your own event with food and drinks
- Kitchen and dishware available upon request
- A/V equipment available, including projector, screen, and PC laptop.

“It was all amazing.”
“Use of sustainable practices impressive.”

Our Flower Pot Classroom on the second floor is a beautifully lit room with a high ceiling, original wood floors and a charming terra cotta color that gives the room its name. This room is perfect for a work retreat or business meeting for up to 20 people.

- Second floor includes access to green roof
- South-facing windows are ideal for capturing late-evening sun
- Tables, chairs, projector, screen, and laptop available upon request

“We absolutely LOVED it!!!”

MENOMONEE VALLEY Ground Floor: Patio Classroom & Animal Room

Our Patio Classroom sits on the lower level next to our outdoor patio on the Hank Aaron State Trail. French doors can open to expand the space and let in fresh air in the summer. This room is perfect for meetings and as a project space for groups of up to 18 people.

- Available for use during Urban Ecology Center public hours
- Projector, screen and laptop available for presentations
- Includes access to kitchen upon request

“You guys have so much to offer.”
“A wonderful experience!!!”
