

## YOUR CONNECTION TO COMMUNITY SUPPORTED AGRICULTURE (CSA)

For more info & copies of this handout:  
[UrbanEcologyCenter.org/CSA](http://UrbanEcologyCenter.org/CSA)

Become a member of a CSA by purchasing a “share” for the season. In return you will receive weekly or bi-weekly deliveries of fresh food throughout the growing season. Along with produce, some farms also offer meat, eggs, and other extras along with weekly newsletters, recipes, and more.

### HERE ARE SOME COMMON QUESTIONS TO ASK WHEN YOU ARE SELECTING A FARM & SHARE:

- » Where (and when) are your pick-up sites?
- » What is the length of your season / number of deliveries?
- » Describe the size, contents & cost of your share(s). (Usually a full share is intended to feed a household of four, a half or every other week share is for two or three people).
- » What’s offered besides vegetables? Can I make any choices about what’s in the box? Order extras?
- » Do you offer work shares? Payment plans? Have an assistance fund? Do you take the Quest card? Electronic payment?
- » What are your growing and production practices? For example, certified organic? sustainably grown?
- » Can I visit your farm? Do you have open houses? U-pick days? A newsletter?

### BY JOINING A CSA YOU WILL

- » enjoy fresh, healthy, tasty food
- » ensure that farmers receive fair compensation
- » help to build a stronger local economy
- » get to know your farmer and your food

### KNOW YOUR FARMER, KNOW YOUR FOOD
