

Community Supported Agriculture (CSA) Farmers on the 2nd floor

Backyard Bounty

Laura Comerford
920-892-4319
ljcomerford@hotmail.com
ljcomerford.wordpress.com

Pick-up sites: Milwaukee, Shorewood, Mequon, Pt. Washington, Sheboygan, Manitowoc, & Plymouth

Backyard Bounty is a family owned CSA whose main focus is growing vegetables and raising chickens for meat & eggs based on sustainable practices. Our members receive 20 weekly deliveries. Farm open houses include potlucks with strawberry picking, apple cider making and picking pumpkins. We offer small and large shares, egg shares and chickens.

Full Harvest Farm, LLC

Chuck Frase & Terry Vlossak
262-673-6760
fullharvestfarm@yahoo.com
fullharvestfarm.com

Pick-up sites: Brookfield, Wauwatosa, Hartland, Delafield, Oconomowoc (North side), Waukesha, Kenosha/Somers, Racine & the farm in Hartford.

Full Harvest Farm, LLC grows 15 acres of certified organic vegetables, herbs and fruit. Our CSA members enjoy 20 weeks of mouth-watering, seasonal produce like strawberries, tomatoes, sweet corn, melons, broccoli, beans, and potatoes. We offer both a Couple and a Family Share. Visit us seasonally at the West Bend Farmers Market to buy direct.

HighCross Farm

Steve & Katherine Vogelmann
920-533-3276
Highcrossfarm@kmoraine.com
highcrossfarm.com

Pick-up sites: Kewaskum, West Bend, Grafton, Mequon, Whitefish Bay, Shorewood, Milwaukee, Bay View, Menomonee Falls, Wauwatosa, Brookfield, New Berlin, Waukesha/Delafield, Sussex, Slinger, Eagle/Mukwanago/Palmyra, Eden, Fond du Lac, Plymouth, Sheboygan Falls & the farm in Campbellsport

Superior quality organically grown produce. 20 weeks of small and large CSA shares. Always fresh, very clean, gently packaged with TLC. Fresh herbs, berries and heirlooms included. Spring and fall share option. Two-payment option. Worker shares available. Farm festival and workshops. Weekly newsletter. Satisfaction guarantee.

JenEhr Family Farm

Kay Jensen & Paul Ehrhardt
608-825-9531
jenehr@aol.com
wisconsinorgrown.com

Pick-up sites: Sun Prairie, West Allis, Pewaukee

JenEhr Family Farm offers certified organic vegetables and small fruits through its CSA and Farmers Market Stands. Everything we offer is grown by us on our farm. Poultry is raised on our Sun Prairie pasture, without hormones or antibiotics. We purchase grain from our neighbors so the meat is not certified organic.

LotFotL Community Farm

Tim Huth
262-951-0794
tim@lotfotl.com
lotfotl.com

Pick-up sites: Brookfield, East Troy, Waukesha, Milwaukee, Muskego, New Berlin, Bay View, Wauwatosa, WCTC & Marquette (students & faculty only), Ft Atkinson, Delavan, Burlington Farmers Market

LotFotL provides a 26 week season. We accept all forms of payment, including food stamps. We allow for flexible delivery scheduling, customizing what's in your weekly box, and paying month to month throughout the growing season. Fruit, meat, honey, maple syrup and more are available through our online store.

Pinehold Gardens

David Kozlowski & Sandra Raduenz
414-762-1301
info@pineholdgardens.com
pineholdgardens.com

Pick-up sites: Cudahy, Oak Creek, Racine, Bay View, Greenfield, Milwaukee, Shorewood, Wauwatosa, & the farm in Oak Creek

Pinehold Gardens is a 150-member CSA and market garden providing produce in a bio-sustainable way. Its 21 acres are within easy access of Racine and Milwaukee customers. The taste of our produce drives decisions on what varieties to plant. We also sell at the South Shore Farmers' Market and at an on-farm market.

Rare Earth

Steve Young & Debra Jo Becker
262-285-7070
rareearthfarm@frontier.com
rareearthfarm.com

Pick-up sites: Bay View, Port Washington, Grafton, Fox Point, Milwaukee, Shorewood, Wauwatosa, Waukesha, Germantown, Kenosha, & the farm in Belgium/Cedar Grove.

A wide assortment of vegetables and fruits delivered from mid June to late November. Maple syrup and honey included with subscriptions. Free-range eggs offered for an additional cost. Pick-up sites in Kenosha, Milwaukee, Washington, and Waukesha counties. On farm activities: salsa-making and fall-harvest festival. Work share programs.

Stoney Meadow Farm

Steve & Andrea Levens
262-893-3579
stoneymeadowfarm@wi.rr.com
stoneymeadowfarmcsa.com

Pick-up sites: Milwaukee, Delafield and Oconomowoc

Members enjoy 16 or more weeks of fresh, prize-winning quality vegetables, fruit and herbs, grown organically by farmers with more than 60 years combined experience. Offering full, 1/2 and every other week share options. We try to accommodate for vacations, etc. & some personalization is available. Weekly newsletter, U-pick flowers and Farm Picnic.

Three Sisters Farm

Kelly Kiefer
920-533-4433
threesisterscsa@gmail.com

Pick-up sites: Campbellsport, West Bend and Milwaukee

We are experienced CSA growers embarking on an exciting new project: Three Sisters Farm in Campbellsport, WI. In this, our inaugural season, we'll lovingly grow biodynamic vegetables for a small group of committed CSA and farmers' market patrons. At the same time, we hope to partner with others who value local food and explore ways to expand on the CSA concept as we move forward.

Tipi Produce

Beth Kazmar & Steve Pincus
608-882-6196
csa@tipiproduce.com

Pick-up sites: Brookfield, Milwaukee, Bay View, Wauwatosa, Madison, Middleton, Janesville, Evansville

Join us for a season of your favorite certified organic berries and vegetables. With 35+ years farming experience, we reliably provide diverse boxes filled with produce at the peak of flavor. Members are welcome to visit during our strawberry u-pick and fall pumpkin/gleaning parties. Serving Madison, Janesville and Milwaukee areas.

Turtle Creek Gardens

Janet Gamble
262-441-0520
farmmanager@turtlecreekgardenscsa.com

Pick-up sites: Milwaukee, East Troy & the farm in Delavan.

Turtle Creek Gardens is a diversified farm that embraces organic and biodynamic principles. We grow high quality nutritionally dense food. On our farm we grow fruits, vegetables, raise cattle and poultry in partnership with our neighbor VOB Organics. Turtle Creek offers Farmer Market style pick-ups, newsletter and food based classes in our education kitchen.

Vintage Hobby Farm Jennifer Martinez 262-684-5135 jmartinezvintage@gmail.com vintagehobbyfarm.com	Pick-up sites: Milwaukee and East Troy	Willoway Farm Daniel Bertram & Jacqui Fulcomer 262-692-9691 willowayfarm@hotmail.com willowayfarm.net	Pick-up sites: Milwaukee, Mequon, Grafton, West Bend, Shorewood, Cedarburg, and on the farm in Fredonia.
--	---	--	---

Vintage Hobby Farm's goal is to bring back heritage breeds of animals into farming and to grow and provide locally and naturally grown produce and products for families who wish to support local farms while also teaching children and adults the important concept of family farming. We offer CSA programs of vegetable and herbs, veggies and meat and summer only	Willoway Farm is a 7 acre farm using organic and biodynamic farming methods. We grow on 1 1/2 acres with raised permanent beds alternating with clover seeded footpaths.

Wellspring Inc. Angela Rester 262-675-6755 wellspringcsa@gmail.com wellspringinc.org	Pick-up sites: West Bend, Grafton, Milwaukee, Wauwatosa & on the farm in Newburg	<p>Know your farmer...</p> <p>Know your food</p> 
---	---	--

Wellspring is a not-for-profit educational organization offering healthy food, educational programs and community-building opportunities to the public since 1982. Our working farm is a human-scaled model of sustainable agriculture, a living classroom where community members come together to grow and enjoy healthy, life-filled food and explore the connections they have to nature and to one another.	Thank you to all these farmers who participated in the Urban Ecology Center's 9th annual Local Farmer Open House on Saturday, March 12, 2011.

Farmers and CSAs in the Community Room: Meat, Eggs, Honey, Fish, Flowers, Herbs, Mushrooms & more

Hazel Valley Farm Jeannie Herold jeannie@hazelvalleyfarm.com www.hazelvalleyfarm.com	Our farm philosophy is fresh air, natural spring water, sunshine, hormone and antibiotic free, chemical free, naturally raised animals. We grow hazelnuts and raise grass fed lambs, nut-finished pigs and free range chickens for meat and eggs. We are 40 minutes west of Milwaukee in the Kettle Moraine forest.	Ruegsegger Farms, LLC Ken Ruegsegger 608-523-4705 krfarms@tds.net naturalmeats.org Pick-up sites: Farmers Markets, home delivery, on-farm sales & farm store (in Paoli) just SW of Madison.	Ken and Sherrie Ruegsegger, owners of Ruegsegger Farms LCC concentrate on raising 100% "Grass-fed" beef & lamb, pastured meats and poultry, "soy-free eggs" and organic produce. All without added hormones, antibiotics, chemicals, or commercial fertilizers. Check out our unique CSA options, Farmers Market locations, and 14 years experience of free home delivery.
--	---	--	--

Piper Road Gardens Jodie Janovec 920-723-8085 Jodie@piperroadgardens.com www.piperroadgardens.com Pick-up sites: East Troy, Wauwatosa, Janesville, Whitewater & Burlington	Piper Road Gardens specializes its 12 week CSA in cut flowers, mixed salad greens, & culinary herb share. Piper Road Gardens can provide all of your fresh cut flower needs and wishes. Look at our website to learn about everything we do for wedding and event floral design.	Sauve Terre Farm Joe Mantoan 262-573-1887 jpmantoan@gmail.com sauveterrefarm.com Pick-up sites: Delivers bulk orders (25 lbs or more) in Milwaukee area and on farm sales in West Bend	Sauve Terre Farm, French for "Saved Earth", is located 45 minutes north of Milwaukee, in West Bend, WI. Founded in 2009, we raise 100% grass fed natural beef. We are dedicated to building an ecologically based, food producing landscape that is bountiful and beautiful for generations to come.
---	--	---	--

River Valley Ranch Eric Rose 262-539-3555 eric@rivervalleykitchens.com rivervalleykitchens.com	River Valley Ranch and Kitchen is a commercial mushroom and vegetable growing celebrating 35 years in business. We follow the tenants of organic farming in our growing practices. All our jar products are made onsite using ingredients grown by us.	Sweet Water Organics Theresa Kopac 414-489-0425 sweetwater-organic.com	Sweet Water Organics is an urban farm located in the Bay View neighborhood that has re-purposed unused industrial building space; using aquaponics to grow fresh, safe produce and fish for local Milwaukee residents, restaurants and grocers.
---	--	--	---

Rolling Meadows Sorgham Mill Richard Wittgreve 920-876-2182	Brend and Rich Wittgreve operate Rolling Meadows Sorghum Lake on their farm near Elkhart Lake, WI. They raise the sorghum cane on their land and process the juice into an amber syrup in their processing plant. Sorghum syrup is very high in calcium, iron, potassium and antioxidants, with a low glycemic load.	Wisconsin Honey Cooperative Petra Ahnert 414-403-1993 pertra@luscioushoney.com luscioushoney.com	Wisconsin Honey Cooperative was created by 4 beekeepers to facilitate the bottling, marketing, & distribution of honey produced by the member apiaries. Collectively, we have over 4,000 colonies of bees producing honey mainly in SW and So. Central Wisconsin. The Cooperative is dedicated to bringing you the finest quality honey possible that is naturally pure and locally produced.
