BIRTHDAY PARTIES!
at the Urban Ecology Center

What better way to celebrate your child’s birthday than with a Birthday Party at the Urban Ecology Center?

We’d love to create a memorable party for your children to celebrate their special day! We have plenty of naturally fun themes to choose from to make for a one-of-a-kind celebration.

YOUR BIRTHDAY PARTY WILL INCLUDE:

• A 75 minute, educator led program with the theme of your choice.
• A 2.5 hour space rental space.
• Dishes, cups, silverware, & napkins—please be mindful of waste and avoid bringing disposable items.
• Free parking and access to building and trails at each Center location!

BIRTHDAY PARTY THEMES

Choose One!

**URBAN ADVENTURES** *

**Canoeing** - Washington Park
Let’s canoe! We’ll learn how to paddle and then take our canoes out to cruise around the Washington Park lagoon.

**Fishing** - Washington Park or Menomonee Valley
Learn how to catch “the big one!” Venture outside for guided fishing! We provide the poles and the bait.

**Biking** - Washington Park or Riverside Park
Hit the trails in the heart of the city and explore the parks using UEC’s fleet of bicycles. All participants must be able to ride a bike.

**Climbing** - Riverside Park
(Ages 6 and above)
Test physical strength and endurance on our rock climbing wall. Pants and athletic shoes are required for climbing.

**Ice Skating** - Washington Park
(Independent on ice conditions)
Learn the basics of ice skating and head out onto the ice for games and fun! Rentals included.

**Brilliant Birds**
We’ll go on a bird-watching adventure, learn how to use binoculars, practice bird calls and hear stories about our feathered friends!

**Survival Basics**
Learn about the basic needs for surviving in Wisconsin year round! Your group will conquer a team challenge and build wild shelters to practice these skills!

**Finding Your Way: Scavenger Hunt**
Everyone loves a scavenger hunt! Kids will play games, and explore the park on a scavenger hunt.

**Incredible Insects**
Learn about the insects in our neighborhoods by using fun exploration tools to hunt for and catch insects outdoors!

**Animal Tracking**
Hop, Waddle, or Bound your way through the trails looking for signs of animals in the park. Examine furs, skulls, and tracks indoors to become a local animal tracking expert!

**To the Pond**
Learn about life under water at the pond. We’ll use cool scientific tools to search for insects, frogs, fish, and more!

**Eco-Art**
Let Nature inspire you and your group and use natural materials to create memorable and fun pieces to take home. From leaf impressions, to stone painting, clay creatures and more!

**Animal Ambassadors** (meet & greet)
Learn the importance of wild animal care and conservation while getting and up-close chance to interact with a UEC Animal Ambassador. From turtles, to snakes, frogs and fish- one of these creatures is sure to be your favorite.
