

Eco-Crafts

There are a lot of different ways that we can lead Eco-Friendly lifestyles. Being eco-friendly means being more conscious of how you use resources and trying not to be harmful to the environment. As the weather starts to get cold and you are looking for something to do inside, check out these eco-friendly crafts.

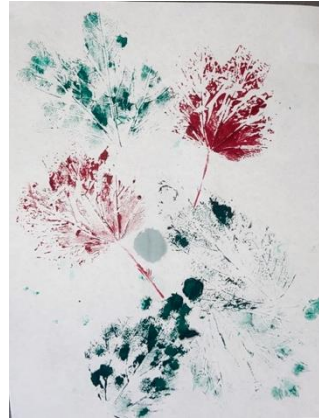

Leaf Printing

What you will need:

- Leaves
- Paper
- Paint

How to make:

- Paint your leaf with a brush or sponge the paint onto the leaf on one side.
- Press the painted side of the leaf on a blank sheet of paper.
- Carefully remove the leaf and let dry

Egg Carton Wreath

What you will need:

- Paper plate (it could be used, you just need the outer ring!)
- Egg carton
- Glue
- Paint

How to make:

- Cut egg carton into flowers
 - Cut the cups off of the carton, then make four cuts
- Paint the inside of the flowers
- Cut the middle of the paper plate out so just the ring is left
- Once the paint is dry glue the carton flowers to the paper plate ring.
