

# Chalk & Chirp

Grab some chalk and hop outside! While we're always looking to see what birds fly over to visit or migrate through at UEC, we'd love to see what birds visit you in your backyard! Draw what birds you spot on the sidewalk for other birding neighbors to find.

## Yellow-Rumped Warbler

Get your chalk ready and get outside! Share with us your most creative or unique bird doodle! For fun chalk recipes fly over to our [UEC chalk](#) page!
