- **Pricing**: $80/hour (10 people)
- **Capacity**: Up to 10 people/educator
- **Price**: $80-160

READY TO REGISTER?
Register by emailing programs@urbanceologycenter.org or contacting our Community Programs Department at least three weeks in advance. Tell us about your group and what program you are interested in!
Explore the outdoors like never before as you paddle down the Milwaukee River, bike through the Hank Aaron State Trail, or challenge your team to survive in the wilderness. Our Urban Adventures are designed to foster team-building while learning a new outdoor skill to take with you. These programs are great for students, colleagues, scouts, friend groups, family members and more!

Registration
Register by emailing programs@urbanceologycenter.org or contacting our Community Programs Department at least three weeks in advance. Tells us about your group and what program you are interested in.

Program Length & Location
Our programs are 1.5-2.5 hours in length, including transportation time (If transportation is needed and available).

Optimal Season
Most of the programs are suitable for any season. However, some programs are best taught during a specific time of year.

Transportation
Transportation can be provided for programs happening at the Urban Ecology Center, if available. Our buses can accommodate up to 14 passengers. We are unable to transport children without an additional adult on each bus. Unfortunately, our buses do not accommodate students in wheelchairs. Please contact us if your group needs an accessible bus and we’ll work with you to arrange transportation.

Chaperones
For children’s programming, we require one adult chaperone for every 13 children. Chaperones help with discipline and assist the educator as needed (passing out supplies, taking a child to the bathroom, etc.) to ensure we can provide a quality experience for all students.

Bathroom
While facilities are available, we strongly encourage groups to use their site facilities prior to the trip to allow optimum use of the time we have together.

Dress
All our programs have an outdoor component. Participants, group leaders, and chaperones should dress according to the weather. In inclement weather, outdoor activities may be shortened, but unless the weather is severe we will still go outside. Please have participants wear hats, gloves, boots and jackets in the winter and rain gear when needed. We strongly recommend that participants wear closed shoes (or other footwear appropriate for hiking) as well as clothes and shoes that can get dirty.

Special Needs
Many of our programs can be modified for participants with special needs. Please communicate any special needs with UEC educators so that we can be prepared for your group. The Urban Ecology Center buildings and many trails are accessible for students who use wheelchairs.

Cancellation Policy
In the case of questionable weather, the UEC will determine if the program should be cancelled. We honor your site’s snow cancellation policy. If this should happen, you will receive a full refund. If for any other reason a trip needs to be canceled, our cancellation policy is as follows:

<table>
<thead>
<tr>
<th>Days before trip</th>
<th>Refund amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>31 days or more</td>
<td>Full refund</td>
</tr>
<tr>
<td>8-30 days</td>
<td>50% refund</td>
</tr>
<tr>
<td>0-7 days</td>
<td>No refund</td>
</tr>
</tbody>
</table>

Cold Weather Policy
Part of the program will take place outdoors, unless the temperature is below 0°F or there is a Wind Chill Advisory or Warning in effect. For the outdoor portion, we will provide cold-weather clothing to students who need it and adjust outdoor time depending on the temperature and wind chill to ensure all participants are safe.
