BIRTHDAY PARTIES!
at the Urban Ecology Center

What better way to celebrate your child’s birthday than with a Birthday Party at the Urban Ecology Center?

We’d love to create a memorable party for your children to celebrate their special day! We have tons of fun themes available to create a wonderful, one-of-a-kind party. Flip for details!

YOUR BIRTHDAY PARTY WILL INCLUDE:
- An hour-and-a-half program with the theme of your choice (see back of flyer)
- A two-hour party space reservation
- Dishes, silverware and napkins - please avoid bringing disposable items.
- We even do the set-up and clean-up!

Food and drink are not provided

PRICING
(For 10 Children):
$175 members
$200 non-members
(price includes 10 kids, add $5 for each additional child up to 20)

Participant limit is 20 children per party.
Ages 5 - 12

So much life
BIRTHDAY PARTY THEMES

Choose One!

URBAN ADVENTURES *

Canoeing
Let’s canoe! We’ll learn how to paddle and then take our canoes out to cruise around the Washington Park lagoon or the Milwaukee River.

Fishing
Learn how to catch “the big one!” Venture outside for guided fishing! We provide the poles and the bait.

Biking
Hit the trails in the heart of the city and explore the parks using UEC’s fleet of bicycles. All participants must be able to ride a bike

Climbing
(Ages 6 and above)
Test physical strength and endurance on our Riverside Park rock climbing wall. Pants and athletic shoes are required for climbing.

Ice Skating
(Independent on ice conditions)
Learn the basics of ice skating and head out onto the ice for games and fun! Rentals included.

Brilliant Birds
We will go on a bird-watching adventure, make a flying craft, practice bird calls, and hear stories about our feathered friends.

Winter Wonderland
(Weather dependent)
Play in the snow! This could include following animal tracks, building a snow-person, and throwing snowballs.

Finding Your Way: Scavenger Hunt
Everyone loves a scavenger hunt! Kids will play games, and explore the park on a scavenger hunt.

Incredible Insects
Learn about the insects of Washington Park through indoor games, crafts, and an insect hunt outside!

Fun with Physics
Play games and make models to learn about Newton’s Laws of Physics! This program can occur outdoors or inside, depending on the weather.

Majestic Macroinvertebrates
Learn about water-life in the Menomonee Valley by searching for bugs and worms that live in the water!

Eco-Art
Arts and crafts for all ages! This program includes a variety of activities, including leaf impressions, snowflake crafts, painting with stones, and much more.

Air Adventure
Be amazed by air pressure experiments and create a craft that flies. Then we will go outside to conduct some experiments, play games and search for things that fly!
