STEP 1 Find and Reserve Equipment

When you go to the Checkfront website, you'll see the "dashboard" below. Here you can choose the date of your reservation and find out if the equipment you wish to borrow is available.

Click here for Checkfront

A Use the drop down to find the type of equipment you need and branch where you want to pick it up (i.e. Riverside Park watercraft)

B Choose the first date of your reservation to see if your equipment is available.

C Always make sure that this is the first date of your reservation.

D When you find your equipment, click "available" OR "book now" to be taken to the next step in your reservation.

The screenshot shows the Checkfront dashboard with the following elements:

- Category:** A dropdown menu set to "All".
- Date:** A date input field set to "03/10/20".
- Keyword:** A search bar with a magnifying glass icon.
- Calendar:** A calendar for MARCH 2020 with the 10th highlighted in green.
- Equipment List:** Two items are listed: "RP Tent" and "RP Backpack". Both have a green "AVAILABLE" button and a "Book Now" checkbox.

E Choose the specific items you want, if necessary. In this example, we picked a tent from Riverside Park. In this step you pick the type of tent — 2-, 4-, or 6-person.

F Set the dates for your reservation. *For this time period we are only allowing Saturday only scheduled timed loans or Saturday - Tuesday 4 days loans.*

G Add the number of items here.

The screenshot shows the reservation details page for an "RP Tent". The page includes:

- Navigation:** Buttons for "Details", "Availability", "Photos", "Map", and "Book Now".
- Equipment Selection:** A dropdown menu set to "RP 2-Person Tent".
- Dates:** "Start" and "End" date pickers, both set to "03/10/20".
- Quantity:** A quantity input field set to "1".
- Summary:** "Tue Mar 10, 2020" with a help icon.
