“We’re so happy we rented with the Urban Ecology Center to support a great cause and to educate others. Everything was amazing, and we heard nothing but positive feedback!”

— excerpt from satisfaction survey

**Welcome! Thank you for your interest in the Urban Ecology Center’s Facility Rental Program!**

**Are you...**

- A local business, corporation, or fellow non-profit organization seeking a space for your next meeting or seminar?
- An individual interested in hosting a private party for friends and family?
- An environmentally conscious couple looking for an eco-friendly facility for your green wedding?

Whatever your event entails, the Urban Ecology Center is uniquely equipped to provide the perfect backdrop for your day.

**What sets up apart, you might ask?**

**Choose us and you choose to support our mission too!**

One hundred percent of rental-generated revenue goes toward supporting our mission to provide innovative, enriching environmental education to urban youth, adults and families. In a time when voting with your dollar is important, this is an investment you can feel good about.

**We operate with the environment and community in mind**

Our spaces proudly integrate green building techniques such as photovoltaic cells, green roofing and rainwater collection systems, geothermal heating and consistent use of recycled building materials. These features are not only functional and help us keep costs low (so we can pass those savings on to you), they are also great conversation pieces and teaching tools.

These features are also an important component of the Urban Ecology Center’s function as a neighborhood community center. We are open to the public and encourage exploration of our space and the surrounding parks in which we operate. In choosing to rent the Urban Ecology Center, your guests are not confined to one space – we encourage them to wander around and discover what the Urban Ecology Center is all about!

**No hidden fees!**

As an organization that strives to build community and promote environmental justice, we strive for transparency. What does this mean for you? No unexpected costs or rate hikes! That’s right – we offer the use of our tables, chairs, kitchen, A/V equipment, and parking lot at no additional cost. Our rental rates are straightforward and easy to understand.
WASHINGTON PARK PAVILION / STAGE ROOM

Perfect for meetings, seminars, and large parties, renting the Washington Park Pavilion Stage Room gives you the flexibility to spread out and host your event in the best way you see fit. The Stage Room is suitable for meetings, socials, birthday parties, fundraisers, family gatherings, wedding receptions and more!

- Rental consists of the Stage Room hall with surrounding exterior area and access to the Lagoon Welcome Room and kitchen.
- Includes tables and chairs with seating for up to 100
- Cater your own event with food and drinks
- Well-suited to community meetings and church groups
- Music and microphone available using our P.A. system as well as a projector, screen, and PC laptop.
- Plenty of free parking.

“It was all amazing.”
“Use of sustainable practices impressive.”
